

**BINGHAMTON FIGURE SKATING CLUB  
RISING STARS PROGRAM REGISTRATION FORM  
2017-2018**

The Rising Stars Program (RSP) is designed to introduce skaters in levels 4-8 of our Learn-to-Skate Program to more difficult moves in a very small class setting. The classes will take place on Sundays on the Club ice at the SUNY Broome Ice Center. See the table below for exact dates and times.

The skaters will be taught by a qualified coach and will learn a variety of jumps, gliding movements, beginning stroking and spins. This program is for the students who have shown interest and have progressed quickly in the regular Learn-to-Skate classes.

The skaters may participate in the RSP at the same time they are doing the Basic Skills program. We are hopeful that the students will benefit from this intermediate program, and will develop an interest in private lessons during the club ice time.

**Please fill out the enclosed form and return it at least 1 week before the first lesson to:  
Binghamton Figure Skating Club, P.O. Box 126, Endicott, NY 13761-0126**

**Note:** This special program and its fees are separate from the Learn-to-Skate program and its fees. You will also need to fill out and sign the club liability waiver form and the consent form for medical attention in case of an accident. Those are required of all skaters who skate at our club ice sessions.

There are four series available on Sundays which will run if there are at least 3 skaters in the class. Class size is limited to 7 skaters. The first Sunday RSP session starts October 15, 2017, and runs for 5 weeks. The fee for each session is \$75.00 per skater, which includes the coaching fee and ½ hour practice time following the lesson. After the lesson skaters must be monitored by an adult or the coach (if available).

Each time the skater enters the ice for the lesson and practice time, they must sign in the logbook at the club table using the code ``RSP''. **Each time they come off the ice, they must sign out.**

Example: Lesson time: 11:30 – 12:00 plus practice time 12:00-12:30. The skater will sign in at 11:30 and sign out at 12:30. To skate **additional** time during the club session, a skater must become an Associate member (\$40 for the season) or a full Club member (\$75 for the season), allowing them to buy standard ice time packages such as: 4 hours for \$44 or 8 hours for \$80.

The club session runs 12:00 - 1:30 pm on Sundays in September and October, and 11:30 am - 1:00 pm the rest of the season. Times may vary so please consult the club brochure and check the club website for the latest information.
