

General Information	
Skates	<ul style="list-style-type: none"> • Figure and hockey rink skates are available for the lesson program and Parent Skate at no additional charge as long as supplies last. • Students are encouraged to provide their own skates, with strong ankle support and a snug fit. Purchased skates should be sharpened before the first lesson. • For information on purchasing new/used skates and sharpening blades, please contact the Binghamton Figure Skating Club (see below).
Clothing	<ul style="list-style-type: none"> • Should allow for freedom of movement. Layered clothing is best. • Helmets/padding are strongly encouraged, especially for children 4 and 5 years old. • <u>Gloves/mittens strongly recommended for hand protection.</u> Gloves can be purchased at the registration table. • Wear thin socks for a snug skate fit and better ankle support. Heavy socks can cause rubbing and a loose skate fit around the ankles.
Rules	<ul style="list-style-type: none"> • The “practice” half-hour is for practicing skating techniques learned during lessons and for Parent Skate. Horseplay will not be tolerated. Safety is key to continued program success. Offenders will receive one warning. Failure to comply can result in removal from the program, without refund. • Food, beverage, gum are not permitted on the ice; pet animals are not permitted at the rink.
Questions	A Binghamton Figure Skating Club staffed information table will be set up during all Learn-to-Skate sessions to assist and answer your questions. You can also contact the Binghamton Figure Skating Club (see below), if you have any questions about programs, fees, payments or “GIFT CERTIFICATES”.
Sponsorships	A memorial sponsorship program is available for up to 5 children, who, for financial reasons, may not be able to otherwise participate in the Learn-to-Skate Program. Contact the Binghamton Figure Skating Club for more information. (See below.)
