

BINGHAMTON FIGURE SKATING CLUB
RISING STARS PROGRAM REGISTRATION FORM
2019-2020

Information

The Rising Stars Program (RSP) is designed to introduce skaters in Basic Levels 5-6, Pre-Free Skate, and Free Skate 1 of our Learn-to-Skate USA Program to more difficult figure skating moves in a very small class setting. The classes will take place on Sundays on the Binghamton Figure Skating Club Ice session at the SUNY Broome Ice Center. See the table below for exact dates and times.

The skaters will be taught by qualified coaches and will learn a variety of jumps, gliding movements, beginning stroking, and spins. This program is for the students who have shown a strong interest and have progressed quickly in the regular Learn-to-Skate classes.

The skaters may also participate in the RSP at the same time they are doing the Basic Skills program. We are hopeful that the students will benefit from this intermediate program, and will develop an interest in more advanced figure skating and private lessons during the Club Ice time.

There are four sessions available through the season. They will be on Sundays, and will run if there are at least 3 skaters signed up for the class. Class size is limited to a maximum of 7 skaters. Each Sunday RSP session runs for 6 weeks. The fee for each session is \$90.00 per skater, which includes the coaching fee for the group lesson and ½ hour of practice time following the lesson.

This is the schedule:

Session	Cost	Day	Dates	Lesson Time	Practice Time

Each time the skater enters the ice for the lesson and practice time, they must sign in on the logbook at the club table using the code ``RSP.'' **Each time they come off the ice, they must sign out.** Example: Lesson time: 11:30 – 12:00 plus practice time 12:00-12:30. The skater will sign in at 11:30 and sign out at 12:30.

To skate **additional** time during the Sunday Club Ice session or other available Club Ice sessions, a skater must become a Binghamton Figure Skating Club member, allowing them to buy standard ice time packages such as: 4 hours for \$44 or 8 hours for \$80.
